Who should go on a mission trip? Anyone who wants to...

- ✓ Make a difference by helping others through organized and meaningful service projects
- ✓ Travel and visit other parishes and neighborhoods within our Archdiocese of Milwaukee
- ✓ Learn more about what it means to be a Catholic

Who will be going?

- ✓ Current 6th - 8th graders from St. John XXIII Parish and other interested young people
- ✓ Oh, and of course the Youth Minister and other adults

What will we do?

- ✓ Be part of the solution to poverty by helping those in need
- ✓ Interact with other Catholic young people from throughout the Archdiocese of Milwaukee
- ✓ Put faith into action
- ✓ Witness our faith to others

But how specifically?

- ✓ Depending on the site, we may weed flowerbeds, paint, help in a day care, food pantry, soup kitchen, homeless shelter...whatever is needed in the community

Will we do anything else?

- ✓ Participate in praise and worship
- ✓ Laugh, play games, and have fun
- ✓ Have a retreat experience
- ✓ Deepen our faith through the sacrament of Eucharist, Reconciliation and prayer

Where? When?:

- ✓ (open to current 6th - 8th graders) Saint Eugene's Church in Fox Point, WI July 7-10 through Archdiocese of Milwaukee: Love Begins Here

How will we get there?

- ✓ Specifically, by car...but it will take more than that...

To offset the costs we will have the option of participating in fundraising:
